May 2009

Dear Potential Exhibitor:

**You are invited to apply** for the 9th Annual Women's Expo, scheduled for Thursday, October 8, 2009 from 11:00 am to 6:00 pm in the Middle Country Public Library in Centereach—a beautiful and dynamic facility that offers three major display areas.

**Marketplace for Women Entrepreneurs...**The Women's Expo features Long Island women artisans, importers, designers, and distributors offering a vast array of products. Last year, the Expo attracted more than 1700 shoppers.

**Women Supporting Women...**The Women's Expo has provided an annual marketplace for women entrepreneurs since its inception nine years ago. We are inviting women entrepreneurs like you to apply to join us on October 8th to market your products, network with other women, and showcase the economic vitality and creativity of women on Long Island. We will use our large networks of contacts across Long Island so that the Expo is promoted to women who believe in supporting other women.

**The Women's Expo is scheduled for Thursday, October 8th to** accommodate a range of shoppers. We want to offer women vendors an additional and special venue, one that does not compete with the regularly scheduled weekend shows and allows us to tap our network of business and professional women. Middle Country Library is the biggest and busiest library on Long Island, assuring a core audience which our extensive publicity builds upon.

**Space is limited**, so please return your completed application *no later than June 30th*. Remember, we are interested in you as well as your products. Be sure to tell us a bit about both you and your product(s) on the application so that the Selection Committee has as much information as possible to make its decision. If you have any questions please feel free to call Elizabeth Malafi @ 631-585-9393 ext. 296. We look forward to hearing from you.

Sincerely,

*The Women's Expo Planning Committee*
